Take Flight and Join Our Flock

The primary purpose of the Northeast Regional Cockatiel Exhibitors group is to promote the exhibition of Cockatiels. This is accomplished by supporting existing Cockatiel Shows and by sponsoring new Cockatiel Shows.

The NERCE group is a resource of knowledge about Cockatiels and the hobby. They willingly share their know how and experience with everyone from the pet owner to the seasoned exhibitor. Striving to better the lives of Cockatiels, working to improve Cockatiel breeding programs and encouraging and guiding hobbyists in the exhibition of their Cockatiels.

The NERCE group holds at least four "**Socials**" each year. They tentatively take place in the months of March, June, September, and December and are held at various locations throughout the northeast states. The purpose of these "Socials" is to provide a casual and informal setting to come together and talk about all aspects of the Cockatiel hobby. Socials are free to members and first time visitors.

The NERCE group holds at least one "**Open Exhibition**" each year. Exhibitions customarily take place in the months of September, October, or November. Members receive substantial savings on bird entry fees and are eligible for other special show prizes.

If you would like to become a member of the Northeast Regional Cockatiel Exhibitors group, complete this form and mail it with your check, payable to the Northeast Regional Cockatiel Exhibitors at the address above.
